Professional Elite

SmartSource Professional Elite

Digital Check, the recognized world leader for payment-related products and services, offers the SmartSource Professional Elite, a compact-size scanner optimized for front counter and remote deposit capture solutions. Like all scanners in the Digital Check portfolio, the SmartSource Professional Elite provides industry-leading quality and performance.

Elite – The Best of the Best

As the name implies, the SmartSource Professional Elite incorporates the best features of the highly popular SmartSource Professional Scanner. In addition, several exciting new features such as ID card and tall document scanning have been incorporated into this design.

Small Package

The SmartSource Professional Elite has one of the smallest footprints in the industry. Its output pocket is 50% larger than competitive devices – enabling the processing of imperfect documents that jam in scanners with smaller pocket designs.

Digital Check Quality

Do not let the size fool you.
The Digital Check SmartSource Professional Elite scanner provides the industry-leading quality and performance that Digital Check is known for, including:

- High speed
- Image quality
- MICR performance
- Paper handling
- Reliability
