

Syntron® Strategic solutions
for your
fast paced
service environment

Mini CheckMate®
Paper Jogger

Ideal for jogging small quantities of checks
in a fast and simple operation

Could your strategic work flow benefit from a little streamlining? The **Syntron**® **Mini CheckMate**® Jogger from **FMC**Technologies fits the bill.

• **Compact size**

- Strategic placement close at hand
- Weighs less than 8 pounds
- Ideal for jogging small quantities of checks

• **Simple operation**

- Jog on demand / timed sequence

• **Advanced design**

- Electromagnetic design allows continuous operation and eliminates overheating unlike motor-driven units

• **Proven Reliability**

- Built on the reliable performance of our Syntron family of products you've come to trust for over 60 years

• **Quality**

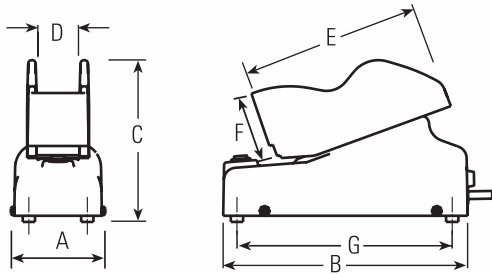

- Units warranted to be free of defects in material and workmanship for one year from date of shipment

• **Safety**

- Self-enclosed units, no exposed drive parts
- Electromagnetic design eliminates sparking or burn-up associated with overheating

Syntron® Mini CheckMate® Paper Jogger
